Helpful Information for International Students

Fuller Seminary is not able to supply the Declaration of Financial Support you need for obtaining your visa. Financial aid offered is only intended to supplement the Declaration of Funds you are required to provide.

As an international student, you will not be eligible for the Federal Work-Study program or for the Federal Direct Loan program. If your visa allows for on-campus employment, you will need to look for regular part-time or full-time positions that are not Federal Work-Study positions.

You may find helpful information at www.edupass.org. This website is not affiliated with Fuller Seminary but provides information for international students on a variety of topics.

If you have questions about this application or your financial aid you may call Student Financial Services at 626-584-5421 or e-mail our program coordinator at sfs@fuller.edu.
