### Student Loan Entrance Counseling

(.required for new Fuller student loan borrowers)

Federal regulations require a student borrower to understand a borrower's rights and responsibilities before receiving federal loan funds. Student borrowers need to complete this requirement online at www.StudentLoans.gov. Fuller will receive an electronic notification after you complete the online counseling.

Student loans cannot be processed until after this requirement is completed. Any loans you accept will be placed on HOLD until you complete this requirement. You will need about 30 minutes to complete the counseling.

How to complete the Student Loan Entrance Counseling process:

1. Go to www.studentloans.gov and sign in. You will be asked for your FAFSA PIN for authentication.
2. Click “Complete Counseling” in the middle of the page.
4. Choose “California” and then “Fuller.”
5. When prompted to select your Student Type, choose: “I am completing entrance counseling in order to receive loans as a graduate (beyond bachelor's degree) or professional student.”
6. Click “Continue” and then carefully read and complete each page.
7. The program will notify you when you have successfully completed the counseling requirement. You may wish to print the page for your records. **DO NOT send it to Student Financial Services.**

If you are unable to use the online Student Loan Counseling program, please contact the office at 626-584-5421 or via e-mail: sfs@fuller.edu.

Title IV Student Loan Disbursement Agreement Form

(This form is for U.S. Citizens and Permanent Residents. International Students do not need to fill it out.)

Fuller students often incur non-mandatory fees in addition to tuition and ASC dues. A student’s Federal loan funds cannot be used to pay for such fees unless the student gives Fuller permission to do so with this form.

Non-mandatory fees include:
- Medical Insurance
- Dental Insurance
- Parking Permits and Tickets
- Deferred Payment and Interest Fees
- Registration Fees (Add/Drop, Late, etc.)
- Graduation Fees
- Payment Plan and Late Payment Fees
- Sherri Harthoorn and Fuller Fund Contributions
- Cohort and Retreat Fees
- Athletic Club Fees
- Testing Fees
- Writing Center Fees

Such expenses are not automatically paid by federal loan funds, and you are not required to authorize Fuller to pay them with loan disbursements.

Completing this form authorizes your loan funds to pay the additional fees listed above. If you incur such fees by the first week of the Quarter, then your loan funds for that Quarter will pay toward such fees. Charges incurred after your loan funds have already disbursed will need to be paid by some other financial source.

This agreement form is not mandatory; this form is for your convenience.

___________________________________________________________________________________________

My signature below indicates that I have read, understand, and agree to the following:

I authorize Fuller Theological Seminary to apply Title IV funds (Federal Direct, Perkins, and/or GradPLUS loans) to the types of “non-mandatory fees” listed above. I understand that these charges are paid only if I incur them during a quarter in which I have a student loan, and only if the charges are incurred before my student loan funds have disbursed.

I am giving this authorization of my own free will and without coercion by any person or department at Fuller Theological Seminary. I understand I can rescind this authorization by notifying Student Financial Services in writing at any time, and I will allow three business days after receipt by Student Financial Services for my authorization to be cancelled.
