ANNUAL SECURITY REPORT – HOW PREPARED AND PURPOSE

This Annual Security Report (ASR) is prepared annually by the Clery Compliance Committee (Clery Team), a committee chaired by the Director of Compliance & Risk Management, and consisting of members from the Department of Campus Safety, Human Resources, Student Engagement & Success, Compliance & Risk Management, Office of Student Concerns, and Housing Services & Residential Community. The information presented in the report was collected by the joint efforts of the following departments: Auxiliary Services, Communications & Marketing, Department of Campus Safety, Information Technology Services, the Regional Campuses, Student Financial Services, Human Resources, Legal, Housing, Office of Student Concerns, and Student Engagement & Success. This includes reviewing and updating relevant policies to reflect current practices, soliciting, gathering, and analyzing statistics and information so that it can be accurately reported, and obtaining approval for policy updates as required. The report includes crime and fire safety data, along with policies pertaining to campus safety, crime, and fire safety.

The Department of Campus Safety works closely with the regional campus director/manager or designee to solicit crime statistics from local law enforcement jurisdictions. In addition, crimes are reported by employees, students, and Campus Security Authorities to the Department of Campus Safety for the purpose of inclusion in the annual disclosure of crime statistics (ASR).

This Annual Security Report is published prior to October 1st of each year and distributed to all

WORKING RELATIONSHIP WITH LAW ENFORCEMENT AGENCIES

The Sacramento Campus does not have any security personnel. Therefore, all crimes should be reported directly to the Sacramento police department.

ACCESS TO CAMPUS

Any outside groups seeking access to any regional campus must submit proper application materials to the regional campus director, who will forward his/her recommendation regarding the request to the Vice President for Communications, Marketing, and Admissions for approval. On-campus groups and co-sponsored requests must also be recommended by the regional campus director and be approved by the Vice President for Communications, Marketing, and Admissions. Security considerations are reviewed prior to the approval of any request.

Seminary policy prescribes that all persons must report any occupancy in administrative buildings after 11 p.m. to the regional campus director. All employees and faculty when on campus must show identification at any time upon request.

Visitors, as a general rule, are not authorized in buildings after normal business hours unless faculty, employees, or a seminary official escorts them. Students are admitted into buildings after normal business hours only when there is an authorized access list from the department head or his/her designee on file with the regional campus director/manager.

ACCESS TO CAMPUS RESIDENCES

The Sacramento regional campus does not have any campus residences.

HOW YOU CAN LEARN ABOUT CAMPUS SAFETY

The Student Handbook, available from the <http://fuller.edu/registrar/>, includes official statements of Fuller, and information regarding campus safety, student resources, campus services, etc.

POLICIES AND PROCEDURES

A SAFE CAMPUS IS EVERYONE'S RESPONSIBILITY

Report Crime Promptly

Security policies and procedures are aimed at your safety and welfare. You help maintain your own safety on campus by following all security policies, and by using common sense safety practices, such as walking in groups; reporting suspicious activities; not leaving books, computers, or backpacks unattended; etc. The following will provide you with an overview of security facts that will be helpful to you. Everyone on campus should be safety conscious and follow security procedures.

Remember: A Safe Campus is Everyone's Responsibility; Report all crimes promptly!

CRIME REPORTING POLICY, PROCEDURES, AND RESPONSES

When a crime occurs on-campus, faculty, staff, students or guests to Fuller should immediately report the incident to the Sacramento Regional Campus Director/Manager.

It is Fuller's policy to encourage accurate and prompt reporting of all crimes to the Department of Campus Safety and appropriate police agencies when the victim of crime elects to or is unable to make such a report.

TO REPORT A CRIME IN PROGRESS

To report a crime, dial 911. State "This is an emergency." Give the dispatcher:

- The nature of the crime/emergency
- Your name
- The phone number from which you are calling
- Your location

Do not hang up until you are sure no further information is required, unless there is an immediate threat to your safety.

After calling 911, notify the regional campus director. Watch for the arrival of emergency personnel and assist in directing them to the appropriate location.

TO REPORT A CRIME WHICH HAS OCCURRED

Sacramento Campus: During campus hours (8 am – 5 pm), call the Sacramento Police Department at 916-808-6401. Supply the following information to the police department:

- The nature of the crime
- Your name
- The phone number from which you are calling
- Your location

The seminary will cooperate fully with law enforcement agencies in the investigation and

report a criminal act.

LIST OF ORGANIZATIONS OR TITLES TO WHOM STUDENTS AND EMPLOYEES SHOULD REPORT CLERY CRIMES

For the purpose of making timely warning reports and the annual statistical disclosure, students and employees should report Clery Act crimes to the following Campus Security Authorities:

- Chief of Campus Safety, 626-584-5440
- Department of Campus Safety, 626-584-5444
- Director of Fuller Theological Seminary Sacramento, 916-452-2855
- Executive Director of Human Resources and Organizational Development, 626-584-5238
- Executive Director of the Office of Student Concerns, 626-584-5678

PROCEDURES FOR REPORTING CRIMES ON VOLUNTARY, CONFIDENTIAL BASIS FOR INCLUSION IN ANNUAL SECURITY REPORT

Victims or witnesses may voluntarily report crimes to a recognized Campus Security Authority (CSA), such as the Executive Director of the Office of Student Concerns, the Executive Director of Human Resources, or the Director, Fuller Seminary Bay Area, and request that a report be submitted to the Department of Campus Safety on a confidential or anonymous basis for inclusion in the annual disclosure of crime statistics (ASR). Based on the nature of the crime, or if act of violence, repeat behavior, or a weapon was involved, the report may not be able to be kept confidential. However, the incident will be noted in the daily crime log and crime stats, and if applicable, any timely warning if needed. The timely warning or crime logs will not include any information that would identify the victim. A Confidential Fuller Reporting Option may report crime stats in aggregate without providing any identifying information. There currently is no procedure in place for a Confidential Reporting Option (pastoral, if applicable, or professional counselor) to inform those they counsel of procedures for reporting crimes

The seminary currently does not have procedures in place for voluntary, confidential crime reporting.

CONFIDENTIAL FULLER REPORTING OPTIONS: EXEMPT FROM REPORTING

By law, schools may identify confidential on-campus reporting options, which are exempt from mandated reporting, such as licensed clinicians or ordained clergy operating in that role. This allows an option for employees and students to report any instances of sexual assault, domestic violence, dating violence, and/or stalking in a completely confidential way, and which will not be reported to anyone else on campus unless requested by the victim. Any reporting required by the Clery Act for the Annual Security Report would only be aggregate, and would not identify any particular individual.

While the Sacramento Campus does not currently have anyone in this capacity located on the Sacramento Campus, students and employees may connect by telephone with the confidential reporting options who are located at the Pasadena Campus and listed below:

- Director of Training, Fuller Psychological & Family Services, Irene Rapp, MS, LMFT, 626-584-5569
- Seminary Chaplain(s), operating in that role, maintain confidentiality under their ordination and applicable laws, 626-584-5273.

Fuller currently does not have any ordained clergy who are designated as Confidential Fuller Reporting Options outside of the Seminary Chaplain(s).

TIMELY WARNING POLICY STATEMENT

Fuller will provide timely warnings to the campus community of serious crimes (such as arson, criminal homicide, and robbery) reported to Campus Security Authorities, Campus Safety, or local law enforcement, which may be considered an ongoing threat to other students and employees, unless the information has already been provided in an emergency notification under its Emergency Response and Evacuation policy because the threat is immediate. Crimes only reported to a Confidential Fuller Reporting Option, such as a Seminary Chaplain or Fuller Psychological & Family Services (FPFS) professional counselor acting in that capacity, will not result in a timely warning.

The Chief of Campus Safety or a designee will develop timely warning notices for the seminary community to notify members of the community about serious crimes that occur on campus, where it is determined that the incident may pose an ongoing threat to members of the seminary community. All of the facts surrounding a crime, including factors such as the nature of the crime, the continuing danger to the campus community, and the possible risk of compromising law enforcement efforts, are considered on a case-by-case basis when determining whether a timely warning will be issued. Identifying information and names of victims will be withheld as confidential and will not be included in a timely warning.

In an effort to provide timely notice to the seminary community, and in the event of a serious incident which may pose an on-going threat to members of the seminary community, a blast email, SMS or text message Timely Warning Notice is sent to all students and employees on campus. The alerts are generally written by the Chief of Campus Safety or a designee, and they are approved and distributed to the community by the Vice President for Communications, Marketing & Admissions (CMA) or designee.

The entire policy is contained within the Department of Campus Safety, *Standard Operating Procedures*, under Timely Warnings.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Notification Procedures

Upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus, faculty, staff, and students will receive information sent directly to them via Everbridge Aware, e-mail, or communication from coworkers, supervisors, or Emergency Management Team members.

Description of Process

- 1. Reporting an Emergency:** If you are at Fuller when an emergency occurs, call 911. Notify the Department of Campus Safety at 626.584.5444 immediately after you have called 911. They will then respond to and contact the necessary members of the Fuller Emergency Management Team (EMT).
- 2. Determining an Emergency:** When the regional campus director, Chief of Campus Safety, or 711 dispatch receives a report of an emergency, notification will immediately be sent out. If the reported emergency is either not immediately identifiable as significant or not readily confirmed, Campus Safety will contact the Emergency Management Team and will first confirm the nature and details of the event before notifying the Fuller community. The Chief of Campus Safety has the discretion to immediately send out notices to the Fuller community without prior review of the Emergency Management Team, when the situation warrants.
- 3. Determining Segment or Segments of Campus to Receive Notification and Content of Notification:** Upon receipt of a report of an emergency, the Emergency Management Team, as appropriate to the situation, will notify all members of the Fuller community that could be affected by the emergency. If, for example, an emergency is happening near the Seattle campus, the situation may or may not require notifying students and employees at other campuses as well. The regional campus director, Director of Campus Safety, or the Emergency Management Team, as appropriate to the situation, will determine the scope the emergency and content of the emergency communication before sending out notification. Emergency communication will have as

much pertinent information as is known at the time and as much as can be communicated to a particular device (some, like SMS, are limited by character length). Because priority is given to notifying the Fuller community as quickly as possible, subsequent communication will have additional information beyond the initial contact.

- 4. Initiation of Notification System:** The Department of Campus Safety will contact Everbridge, the company that manages the emergency notification system, to initiate the emergency notification process.

How the Fuller Community Receives Emergency Information

In appropriate circumstances, faculty, staff, and students will receive information sent directly to them via Everbridge Mass Notification, e-mail, or communication from coworkers, supervisors, or Emergency Management Team members.

- **Everbridge Mass Notification:** The Everbridge Mass Notification emergency communication system allows Fuller to send messages directly to community members through e-mail, mobile phone, office phone, home telephone, and SMS/text message. Students provide this information through the "Personal Information" section of Fuller's student information system, which feeds into Banner. Employees provide this information through ADP Employee Self Service. Everbridge Mass Notification is only used for testing and emergency communications, and is not used for faculty, staff or student outreach marketing. Specific instructions for updating personal contact information for Everbridge Mass Notification are [available here](#).
- **Emergency Information Web page:** Fuller's [emergency information webpage](#) functions as an informational blog for Fuller during emergencies. Emergency Management Team posts information and decisions affecting Fuller's community on this site in real time.

Fuller will, without delay, initiate the emergency notification system (ENS) with necessary information in the event of a significant emergency event to any Fuller campus unless issuing a notification will, in the professional judgment of the regional campus director, Chief of Campus Safety, or the Emergency Management Team, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Based on the nature of the event, the need to shelter in place or begin a systematic evacuation of the effected campus will be assessed prior to an ENS notification being issued.

Members of Fuller's Emergency Management Team

1. Paul Bang, Supervisor, Department of Campus Safety

2. Sam Bang, Executive Director of Student Engagement & Success
3. Bernadette J. Barber, Executive Director of Human Resources & Organizational Development
4. Mandy DiMarcangelo, Manager of HR & OD, Human Resources
5. Jeanne Handojo, Director of Auxiliary Services
6. Brent Kampe, General Counsel, Legal Department
7. Teresa Lewis, Director of Compliance & Risk Management
8. Gary Mejia, Chief, Department of Campus Safety (Chair)
9. Nate Merritt, Facilities Director, Building Services
10. Lenny Moon, Chief Financial Officer, Finance and Operations
11. Irene Neller, Vice President for Communications, Marketing, & Admissions
12. Kevin Osborn, Associate Provost for Enrollment Management & Vocation Formation
13. Jim Rispin, Director of Information Technology Services
14. Inge-Lise Titheradge, Director of Housing Services & Residential Community

Information Dissemination Procedure to the Larger Community

Immediately following a disaster, Fuller Seminary will be in contact with appropriate persons and offices in the City of Sacramento to seek help as needed, and to make a situation report regarding any deaths or injuries to persons; the level and extent of destruction or major damages to buildings and other structures; and existing and potential problems with utilities. A primary and initial contact at this point will be the City of Sacramento's Emergency Management Coordinator, in the City of Sacramento's Fire Department. Additional contacts may be appropriate with other City offices, including the Police Department.

Secondly, we will communicate with our institutional neighbors to help coordinate a neighborhood response. This will be especially important if the level of disaster were to overwhelm the response capacities of our City's services--including fire and police departments, hospitals, and other organizations. Anticipating the possibility of such a situation, our neighborhood's major institutions are coordinated to provide emergency services and response assistance, both for our own staffs as well as neighborhood residents who may come to our various campuses and offices for assistance.

Third, we will also provide, in quick fashion, accurate information and communication with the media. Further, we will closely monitor all communications to ensure the accuracy of information presented to the public as well as our Fuller community. Also, through the Fuller emergency webpage at <http://www.fuller.edu/emergency> we will provide rapid and frequently updated disaster situation reports and updates, which will be immediately available to the public and to our Fuller community including students, staff, faculty, alumni, and friends.

Recognizing that rapid changes are endemic to disaster situations, we will be in ongoing communication with the City, our neighboring institutions, the media, the public, and the Fuller community to keep them accurately informed of activities, progress, and needs.

Testing and Announcing Everbridge Mass Notification

The Everbridge Mass Notification system is tested each quarter on the Friday of week two. This test is not interrupted during class. The test goes to all methods of communication that Fuller has on record for each student in Banner and for each employee in Employee Self Service. These tests are coordinated by the Department of Campus Safety and include a description of the exercise, date, time, and whether the test was announced.

The foregoing information is contained within the Department of Campus Safety, ***Standard Operating Procedures***, under Emergency Response and Evacuation Procedures. The procedures are available at <http://www.fuller.edu/emergency>.

CRIME STATISTICS

In accordance with the Clery Act, Fuller Theological Seminary provides mandatory crime statistics as part of this Annual Report. The web site to access this report is provided annually to the community via email. The following table shows reported crimes from Campus Security Authorities and local law enforcement agencies in the specified categories for the preceding three years. The Department of Campus Safety on the Pasadena Campus, with the assistance of the regional campus directors or designees, requests crime statistics from law enforcement agencies with jurisdiction in the area. These statistics are included in the following table, along with crime statistics collected by Campus Safety.

These statistics reflect crimes that occurred on the Sacramento campus and all additional eligible locations, if applicable, in 2016, plus the previous two years.

As such, there is no ongoing monitoring or recording by the Seminary through local police agencies of criminal activity associated with these types of facilities. The Sacramento campus also does not have any residential facilities.

DAILY CRIME LOG

Because the Sacramento Campus does not have any on-campus security personnel and all crimes are reported directly to the Sacramento police department, a daily crime log is not administered by this campus.

SECURITY AWARENESS PROGRAM POLICY STATEMENT

New employees are provided safety & wellness training during new employee orientation. New students are also provided safety training during new student orientation. Current employees and students are provided security awareness tips at least on a quarterly basis throughout the year via the Employee Site and the Quad. Examples are provided below.

COMMUTER STUDENT SAFETY & SECURITY

THE FOUR "RISKS" OF PERSONAL SAFETY

RISK AWARENESS

RISK REDUCTION

RISK RECOGNITION

RISK AVOIDANCE

THIS IS 90% OF SELF-DEFENSE EDUCATION

The following risk reduction strategies are offered, not as "parental sounding" demands, but as considerations. Evaluate each strategy independently as to whether or not it may apply to you and your specific circumstances. The bottom line is: you are ultimately responsible for your safety.

Elevator-When in an elevator, be aware of other people. Stand close to important buttons and/or telephone. If a suspicious person gets off on your floor, be sure that you are not followed.

Cell Phones- Consider obtaining a cell phone first and foremost for safety reasons. Ensure that you program emergency numbers for quick access (Police Department @ 911, Campus Safety @ 626 584-5444). Cell phone can also serve as deterrence.

YOUR VEHICLE-

Vehicle Keys- Being ready for an encounter is to your advantage! Try to have your keys in your hand. This provides you with a device that can be used for self defense and allows for quicker access once you arrive at your vehicle. If used for defense, poke eyes and soft tissue. Avoid the practice of lacing keys between fingers, as this is not very effective and may hurt your hands.

Approaching Your Vehicle- Before getting into your vehicle, give it a quick visual check from a safe distance. Glance under the vehicle during approach. If you notice anything suspicious retreat immediately and notify the Pasadena Police Department or Campus Safety. After scanning the vehicle and it appears safe, unlock the door and check the back seat area.

Once Inside- Remember to lock all doors in case someone attempts to enter your vehicle. Consider keeping the windows rolled up as far as the weather permits. Place your carry bag or valuables out of sight to reduce "smash and grab" type theft.

Being Followed- If you think you are being followed, instead of going directly to your office, make a few extra turns, but only if familiar with the area you are in. When convinced that you are being followed, drive to the nearest police or fire station, or if you are in the area of the Professional Building/main campus contact Campus Safety at 626 584-5444 for assistance. Avoid stopping in isolated areas and try not to become separated from populated areas.

Parking- When driving into a parking lot or structure, try to park in a well lit area. Also consider backing into the space. A lighted area should keep vandals away from your vehicle. Also try to avoid parking next to vans or large trucks, and be cautious when returning to a vehicle parked next to a van or large truck. When walking back to your car, try not to walk close to other parked cars, stay in the center of the access way if traffic permits. This will give you more reaction time. When in an angled parking lot, walk with the direction of traffic flow in the lot, enabling you to see between parked vehicles.

Disabled Vehicle- If you become stranded on the highway, think safety, and consider staying in your vehicle. Turn on the four-way flashers, and then wait for the police or road service to arrive. Cellular phones can be tremendous help in these situations. If you have a flat tire, and you know how to repair it, then attempt to do so. If you are interrupted during the changing process, pick up your tools and get in the vehicle. Be wary of vehicles bumping into you to stimulate an accident. If it is only a bump and not an accident, consider continuing to your destination and calling the police when you arrive there.

Flyer on Your Window- Be cautious about flyers left on your front windshield. Do not remove immediately if it does not obstruct your view. Rather, drive to a safer location and then remove. Criminals can sometimes use flyers as a means to distract people.

TIPS FOR A SAFE AND SECURE CAMPUS

Learn and follow all seminary safety policies. These policies were created out of a concern for your welfare and consideration for the rights of others.

When walking or jogging:

- Go with someone.
- Stay away from isolated areas.
- Try and stay near street lights.
- Hold your purse or briefcase tightly, close to your body.
- A front pocket is safer for a wallet than a back one.

If you're being followed:

- Cross the street or change directions.
- Keep looking back so the person knows you can be surprised.
- Go to a well-lit area. Enter a store, house or apartment, classroom, or library - anywhere there are people.

Notice and remember as much as possible about the person so you can give a good description later.

Contact the Sacramento Police Department to report the incident.

If you're held up:

Don't resist. No amount of money is worth taking chances with your life.

Notify local police immediately.

Where you live:

Keep your doors and windows locked day and night.

Report suspicious activity and vandalism immediately.

CRIME PREVENTION PROGRAMS POLICY STATEMENT

The Department of Campus Safety has incorporated the Crisis Manager app (see below) to assist the Fuller community (students and employees) in disaster preparedness and emergency response preparation.

CRISIS MANAGER APP

ALCOHOL AND DRUG POLICIES

Fuller Theological Seminary is committed to maintaining an alcohol and drug-free environment, one conducive to the promotion of wellness and positive self-development of all members of its community. In keeping with this objective, the seminary will ensure that all of its campuses, workplaces, and activities are safe and free from the problems and risks associated with the unauthorized use and abuse of alcohol and the illegal use and abuse of drugs.

Out of respect for our bodies as temples of the Holy Spirit, as good stewards of our relationships with one another, and in relation to our individual and communal fitness for ministry, the unlawful manufacture, distribution, dispensing, possession or use of alcohol or illicit drugs by any member of the Fuller community on Fuller property or as part of any of its activities is prohibited. While the use of alcohol by adults is lawful, alcohol use by adults is prohibited on the Fuller campuses, outside of the privacy of an individual's Fuller provided housing.

Drug abuse has spread to every level of society in the United States. All drugs are toxic or poisonous if abused. Health risks of drug abuse include, but are not limited to, sleep disorders, confusion, hallucinations, paranoia, depression, impotence, liver damage, cardiac irregularities, hepatitis, and neurological damage. Abuse of either alcohol or drugs during pregnancy increases the risk of birth defects, spontaneous abortion, and stillbirths.

Alcohol is a depressant. It depresses the central nervous system and can cause serious, irreversible physical damage. Excessive drinking damages the liver, resulting in cirrhosis. Chronic

alcohol abuse also causes hypertension, cardiac irregularities, ulcers, pancreatitis, kidney disease, and cancer of the esophagus, liver, bladder, and lungs.

The good news is that alcoholism and drug abuse and addiction are treatable. Generally, a recovering alcoholic or drug abuser may never safely drink or use drugs again, but can lead a normal, productive life as long as he or she maintains total abstinence. Confidential limited counseling and referral to treatment programs may be available to Fuller students and employees from the Fuller Psychological & Family Services. Eligible employees may also contact their Employee Assistance Program for referrals. The costs of these programs are dependent upon the type of treatment desired. Students and faculty should consult with their insurance carriers with individual questions regarding coverage of treatment

Incidents on the Fuller campus or incidents involving members of the Fuller community may be reported to civil authorities for legal action. Local, state, and federal laws establish a variety of penalties for the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, which includes alcohol as well as illicit drugs. These legal sanctions, upon conviction, may range from the payment of a small fine and probation to imprisonment for up to one year or a \$5,000 fine, or both. Federal laws have increased the penalties for the illegal distribution of drugs to include life imprisonment and fines in excess of \$1,000,000.

In addition, corrective action for students may include disciplinary action up to and including immediate termination of student status. Corrective action for employees may include disciplinary action up to and including immediate termination from employment. (Community Standard: Substance Abuse)

rug and Alcohol Abuse Prevention Program (DAAPP), clarify that the unlawful possession, use, and sale of alcoholic beverages is prohibited, as is the unlawful possession, use, and sale of controlled substances. The Quad Seminary enforces federal and state alcohol and drug laws. Even though the seminary is a graduate school with students over the age of 21, it will enforce underage drinking laws if the situation ever arises. See the DAAPP for a description of drug and alcohol abuse education programs available to employees and students. The DAAPP may be accessed from the Employee Site at <http://employee.fuller.edu/drug-and-alcohol-abuse-prevention-program-daapp/> and The Quad at <http://quad.fuller.edu/studentlife/>. In addition, it is posted on the Fuller website at http://fuller.edu/uploadedFiles/Siteroot/About/Institutional_Documents/DAAPP-FTS.pdf.

JURISDICTIONAL & INSTITUTIONAL DEFINITIONS OF CONSENT

The primary prevention and awareness program for all incoming students and new students, currently provided by Workplace Answers (Everfi), provides the definition of consent in reference to sexual activity for local jurisdictions for community and awareness purposes. In

The definitions that pertain to the Sacramento Campus follow:

- **Consent:** The state of California defines consent, in relation to sexual activity, as follows:

In California, under Senate Bill 967 as of January 1, 2015, consent means affirmative consent. Affirmative consent means affirmative, conscious and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other, or others, to engage in the sexual activity.

- Lack of protest is not the same as consent.
- Lack of resistance is not the same as consent.
- Silence is not the same as consent.

Affirmative consent must be **ongoing throughout a sexual activity**. Affirmative consent can be revoked (taken back) at any time, including during a sexual encounter.

The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never **by itself** be assumed to be an indicator of consent.

Affirmative consent does not exist if a person engages in sexual contact when the other person is:

1. Asleep or unconscious.
 2. Incapacitated due to the influence of drugs, alcohol, or medication, so that the other person could not understand the fact, nature or extent of the sexual activity.
 3. Unable to communicate due to a mental or physical condition.
- **Consent:** Fuller Theological Seminary defines consent in its Policy Against Sexual Misconduct, found at http://fuller.edu/uploadedFiles/Siteroot/About/Institutional_Documents/Policy_Against_Sexual_Misconduct.pdf, as follows:
 - a. Consent is knowing, voluntary, and clear permission by word or action, to engage in mutually agreed upon sexual activity or contact. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to make certain that the other has provided ongoing, clear consent to engaging in the activity or contact. For consent to be valid there must be a clear expression in words or actions that the other individual agreed to that specific sexual conduct.
 - b. A person cannot consent if he or she is unable to understand what is happening or is disoriented, helpless, asleep, or unconscious for any reason, including due to alcohol, other drugs, including so- individual who engages in sexual activity when the individual knows, or should know, that the other person is physically or mentally incapacitated has violated this policy. The question of what the responding party (respondent) should have known is objectively based on what a reasonable person in the place of the responding party, sober and exercising good judgment, would have known about the condition of the reporting party (complainant).
 - c. Incapacitation is defined as a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent interaction). This policy also covers a person whose incapacity results from a mental or developmental disability, involuntary physical restraint, and/or from the taking of incapacitating drugs.

The primary prevention and awareness program for all incoming students and new students, currently provided by Workplace Answers (Everfi), provides a description of safe and positive options for bystander intervention. Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

How to Be an Active Bystander

We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know

Page 33 of 53

what to do even if we want to help. Below is a list² of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Verbally confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

RISK REDUCTION

In addition to the risk reduction information provided in the online training with Workplace Answers (Everfi), additional Risk Reduction information, as outlined below, is provided in a [Resource Guide on Sexual Misconduct](#) and [Title IX website](#).

Risk Reduction for Intimate Partner/Dating Violence, Stalking, Sexual Harassment, and Sexual Violence

While victim-blaming is never appropriate and Fuller Theological Seminary fully recognizes that only those who commit sexual misconduct are responsible for their actions, Fuller Seminary provides the following suggestions to help individuals reduce their risk of being victimized and their risk of committing acts of sexual misconduct.

Reducing the Risk of Victimization

-) Sexual Standards Community Standard.
- Make any of your limits/boundaries known as early as possible.
- Clearly and firmly articulate consent or lack of consent.
- k
- Reach out for help, either from someone who is physically nearby or by calling someone. People around you may be waiting for a signal that you need help.
- Take affirmative responsibility for your alcohol and/or drug consumption. Alcohol and drugs can increase your vulnerability to sexual victimization.

² " Abuse

- Look out for your friends, and ask them to look out for you. Respect them, and ask them to respect you, but be willing to challenge each other about high-risk choices.

Reducing the Risk of Being Accused of Sexual Misconduct

- Show your potential partner respect if you are in a position of initiating sexual behavior, including kissing, petting, touching, etc.
- @ @ sion.
- Clearly communicate your intentions to your potential sexual partners, and give them a chance to share their intentions and/or boundaries with you.
- k @ \ M
- Avoid ambiguity. Don attracted to you, how far you can go with that person, or if the individual is physically @ consent.
-) antage of the fact that someone may be under the influence of drugs or \ put you in control.
- Be on the lookout for mixed messages. That should be a clear indication to stop and talk u be undecided about how far to go with you, or you may have misread a previous signal.
- Respect the timeline for sexual behaviors with which others are comfortable, and understand that they are entitled to change their minds.
- k partner may be intimidated by or fearful of you, perhaps because of your sex, physical size, or a position of power or authority you may hold.
-) h attention to verbal and non-verbal signals to avoid misreading intentions.
- Understand that consent to one type of sexual behavior does not automatically grant consent to other types of sexual behaviors. If you are unsure, stop and ask.
- Understand that exerting power and control over another through sex is unacceptable conduct.

ONGOING PREVENTION AND AWARENESS CAMPAIGNS

In addition to the primary prevention and awareness program outlined above, the seminary has developed an ongoing educational campaign consisting of:

Providing continuing access to the online training provided by the outside provider, Workplace Answers (Everfi), as long as the student maintains student status or the employee maintains employee status. A Refresher course on Preventing Discrimination and Sexual Violence is

offered to employees periodically, which includes all of the components offered in the prevention and awareness program. Employees and students and all others have access to the most up-to-date content on the Title IX website at Fuller.edu/TitleIX. From time to time, resources such as the Sexual Misconduct Reporting & Resources handout and the Resource Guide on Sexual Misconduct will be posted on the Quad for students and on the Employee Site for employees. Resources on stalking, sexual assault, dating violence, and domestic violence are posted on the Employee Site and Quad when available. Targeted face to face trainings are provided to student groups or employees, including All Seminary Council leaders.

The Distressed Student Protocol is available on the Employee Site, which includes information on connecting students to resources in cases of sexual assault, interpersonal violence (dating and domestic), and stalking. Students also have access to resources throughout the year from various organizations.

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING OCCURS

IF YOU HAVE EXPERIENCED DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

1. Go to a safe location as soon as you are able.
2. Seek immediate medical attention if you are injured, or believe you may have been exposed to an STI/STD or potential pregnancy.
3. Contact any of the following on- and off-campus resources for immediate assistance:
 - a. Executive Director of the Office of Student Concerns, at 626-584-5678. Regular business hours, M-F
 - b. Executive Director of Human Resources, at 626-584-5238. Regular business hours, M-F

*Denotes that this on or off campus resource is confidential.

Note that campus officials may contact on-call staff from other departments when their offices are closed or they are otherwise unavailable to assist immediately.

If you are off-campus and experiencing an emergency situation, you can call local police by dialing 911. You may also call the Sacramento -emergency line at 916-808-6401.

4. It is important to preserve physical evidence that may include tissue and fluid samples, evidence of violence, sheets, towels, clothing, etc. You may choose to avoid washing, bathing, urinating, etc., until after being examined at the hospital, if possible. Because evidence of a sexual assault can deteriorate quickly, you may choose to seek a medical exam as soon as possible. Evidence collection should be completed within 120 hours of an assault, but fluids, hair samples, and DNA can be collected for a long time thereafter. Even if you have washed, evidence can often still be obtained. After 120 hours, it may still be helpful to have medical attention, even if you are not trying to obtain evidence of an assault. Sexual assault nurse examiners (SANE) are trained in the collection of forensic evidence, and can check for injuries and exposure to sexually transmitted diseases. If you are still wearing any clothes worn during the assault, wear them to the hospital, but bring a change of clothes, as the hospital will keep the clothes you are wearing as evidence. If you have changed clothes, bring the ones you were wearing during the assault to the hospital in a clean paper (not plastic) bag or a wrapped in a clean sheet. Leave sheets/towels at the scene of the assault. Police will collect them. Typically, police will be called to the hospital to take custody of the rape kit, but it is up to you whether you wish to speak with them or file a criminal complaint. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to seminary investigators or police.
5. Choose how to proceed. You have options, and are encouraged to contact a Confidential Fuller Reporting Option (Irene Rapp, MS, LMFT, or Seminary Chaplain) to discuss your options: 1) Do nothing until you are ready; 2) Pursue resolution by the seminary; and/or 3) Initiate criminal proceedings; and/or 4) Initiate a civil process against the perpetrator. You may pursue whatever combination of options is best for you. If you wish to have an incident investigated and resolved by the seminary, contact the Executive Director of the Office of Student Concerns (916-808-6401) if the incident involves a student. If a student was not involved, then contact the Executive Director of Human Resources, the Title IX & Discrimination Officer for Employees. Seminary procedures will be explained. Regional Campus students and employees may contact the Director, Fuller Seminary Bay Area. Seminary procedures will be explained. Those who wish incidents to be handled criminally should contact local police where the assault occurred. A campus official is available to accompany students in making such reports, if desired. Contact the Executive Director of the Office of Student Concerns for

more information.

Victims should be referred to appropriate campus and community authorities.

Rights of Victims and the Institution's Responsibilities Relating to Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the Institution

Fuller Theological Seminary complies with California law in recognizing restraining orders or no contact orders. Any person who obtains an order of protection from California should provide a copy to Campus Safety. Students should also provide a copy to the Executive Director of the Office of Student Concerns or his/her designee. Likewise, employees should provide a copy to the Executive Director of Human Resources or his/her designee. A complainant may then meet with Campus Safety (by phone or skype or equivalent) to develop a Safety Action Plan, which is a plan for Campus Safety and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: Security escorts, special parking arrangements, changing classroom location, or allowing a student to complete assignments from home, etc.) The seminary cannot apply for a legal order of protection from the applicable jurisdiction, aka: Restraining order or Emergency Protective Order, which is issued by a law enforcement agency or court of law for a faculty, staff, or student. Campus Safety may assist a Fuller community member by directing them to the appropriate agency for assistance.

Restraining orders	The right to a restraining order	Develop a Safety Action Plan when requested by the victim
Orders of protection	Same as restraining order	Same as restraining order

The victim is required to apply directly for these services with Campus Safety. Restraining orders and other protective orders may be available through the applicable jurisdiction (see chart below).

Type of Order:	Who Can File For One:	Court:	Based On:
Domestic Violence Civil Protection Order (Restraining Order in California)	Family or household members including: o spouses o parent o child together @ who lived together in the last 5 years	Domestic Relations Court where victim lives, where abuser lives or has a business, or where incident(s) occurred	Causing or trying to cause injury or placing someone in fear of imminent serious harm (Courts use different requirements for how Recent the incident must be)

Common Pleas Court Where victim lives (if family or household member, can be filed as DV Protection Order, see above)	Pattern of conduct (2 or more events), closely related in time, that cause distress or make a victim believe the stalker will cause harm

Juvenile Protection Order (Restraining Order in California)	Victim of abuse by a person who is under 18 years of age parent or other household member, or other parties the Court approves.	Juvenile Court where victim lives	Assault, stalking, sexual offenses, threats of harm or aggravated trespass

The seminary may issue an institutional no contact directive if deemed appropriate or at the request of the victim or accused. If the seminary receives a report that such an institutional no contact directive has been violated, the seminary will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact directive.

PROCEDURES THE SEMINARY WILL FOLLOW IN THE CASE OF ALLEGED DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

Confidentiality

Victims may request that directory information on file with the seminary be withheld. Submit a request to the Title IX Coordinator at titelx@seminary.edu or call 584-5408.

Regardle of the request, the information will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, or as required by law, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures. The Title IX Coordinator or designee will make the decision as to what needs to be shared based on this criteria. Before sharing personally identifying information that the institution believes is necessary to provide an accommodation or protective measure, the Title IX Coordinator or designee will tell the victim which information will be shared, with whom it will be shared, and why.

The seminary does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the ***Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act***. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault, or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

Accommodations and Protective Measures Available for Victims

The seminary has procedures in place that serve to be sensitive to victims (reporting parties) who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals in writing about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance information, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and a respondent, such as housing (if applicable), academic, transportation, and working interim protective and supportive measures, if reasonably available. The seminary will make such interim protective or supportive measures, if the reporting party requests them and if they are reasonably available, regardless of whether the reporting party chooses to report the crime to Campus Safety or local law enforcement.

The seminary is obligated to comply with a student's reasonable request for a living and/or academic situation change following an alleged sex offense.

In determining whether a request for accommodation or protective measure is reasonable, please be aware that some of the factors that might be considered during this process include, but are not limited to the following:

- The specific need expressed by the complainant
- The age of the students involved
- The severity or pervasiveness of the allegations
- Any continuing effects on the complainant
- Whether the complainant and alleged perpetrator share the same seminary housing facility, class, transportation, or job location
- Whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders)

To request an accommodation, interim protective, or supportive measure, students should contact the Executive Director of the Office of Student Concerns at 626-584-5678 or titleix@fuller.edu, and employees should contact the Executive Director of Human Resources at 626-584-5238 or bjbarber@fuller.edu.

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, Fuller Theological Seminary will provide written notification to students and employees about interim protective or supportive measures available to them, including academic, living, transportation and working situations. The written notification will include information regarding the interim protective or supportive measures available, assistance in requesting interim protective or supportive measures, and how to request interim protective or supportive measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the interim protective or supportive measures).

At the repo

consent, seminary offices will work cooperatively to assist the reporting party in obtaining interim protective or supportive measures. If reasonably available, a reporting party may be offered changes to academic, living, working or transportation situations regardless of whether the reporting party chooses to report the crime to Campus Safety or local law enforcement. Note that changes to living situations typically only apply to students who live in Fuller-provided housing.

Options for a potential change to the academic situation include:

- transfer to a different section of a class,
- withdraw and take a class at another time if there is no option for moving to a different section,
- rescheduling an academic assignment or test
- accessing academic support
- arranging for incompletes, a leave of absence, or withdrawal from campus
- preserving eligibility for academic or other scholarships, financial aid, internships, study abroad, or foreign student visas

Possible changes in transportation include:

- having the student or employee park in a different location
- cab voucher or bus tokens
- assisting the student or employee with a safety escort

Possible changes to working situations at Fuller include:

- change in work hours
- change in work location

Other interim protective or supportive measures currently include:

- medical and mental health services, including counseling
-
- assistance identifying an advocate to help secure additional resources or assistance

To request changes to academic, living, transportation, and/or working situations, or to request other interim protective or supportive measures, a reporting party who is a student should contact Nicole Boymook, Executive Director of the Office of Student Concerns, at 626-584-5678 or titleix@fuller.edu. Employees should contact BJ Barber, Executive Director of Human Resources at 626-584-5238 or bjbarber@fuller.edu.

Procedures

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the seminary, below are the procedures that the seminary will follow:

INTAKE

A seminary official (a Title IX & Discrimination Officer or Deputy Title IX Coordinator) will assist the reporting party with making choices and accessing resources. Assuming the reporting party chooses to move forward with a campus resolution, the next step is a preliminary inquiry. The preliminary inquiry is expected to take approximately 2-5 business days.

All resolutions will be conducted by seminary officials who receive annual training on issues related to domestic violence, dating violence, sexual assault, and stalking, and on how to conduct an investigation and complaint resolution process that protects the safety of victims and promotes accountability.

The resolution process is confidential. The institution will protect the confidentiality of victims, consistent with federal and state law. Title IX-related resolutions are not subject to publicly available recordkeeping provisions. Any release of information about a resolution will be accomplished without the inclusion of identifying information about the victim, to the extent permissible by law.

PRELIMINARY INQUIRY

An initial determination is made about the allegations and whether to move them forward to a formal investigation. This decision is made by the Title IX Coordinator or designee, taking into account the nature of the allegations and the report. If the Title IX Coordinator or designee determines that to move forward, the Title IX Coordinator or designee refers the allegations to investigators.

Typically, investigators are assigned in two to three business days, once a decision is made to move forward with a formal investigation.

The disciplinary proceeding used by the institution is the same for students, faculty, residents, and staff. What differs are the decision-makers, investigators, and sanctions involved. However, the process is generally the same. For example, if an employee is involved, then the Executive Director of Human Resources or designee is typically chosen as an investigator. Likewise, if a student is involved, the Executive Director of the Office of Student Concerns or designee is typically chosen as an investigator. If both a student and employee are involved, then the process is typically co-investigated by the Executive Director of Human Resources and Executive Director of the Office of Student Concerns or their designees. However, it is possible that an outside investigator(s) is selected to conduct the investigation.

INVESTIGATIONS

An investigative model is used to resolve allegations. Trained investigators will provide an investigation that is prompt, thorough, reliable, equitable, fair, and impartial. They will interview reporting and responding parties and witnesses, and prepare reports with their findings and sanctioning recommendations. Information about all the steps in the investigative process is available at Fuller.edu/TitleIX.

BEING HEARD DURING THE COMPLAINT RESOLUTION PROCESS

Both the reporting and responding party will each have an opportunity to review the findings and recommendations prepared by the investigator(s) and have an opportunity to submit a written response to be included along with the findings and recommendations, to be reviewed by the seminary official making the decision as to the outcome of the resolution. The parties are each provided a minimum of five business days to submit a written response.

STANDARD OF EVIDENCE

The seminary uses a preponderance of evidence standard. Decision-makers consider whether, given the available credible evidence, it is more likely than not that a violation occurred.

PAST HISTORY

The past sexual history or character of an individual is not considered unless it is determined to be highly relevant. All such information sought to be entered for consideration by a party or the seminary will be presumed irrelevant until evidence of its relevance is offered. The existence of a pattern of behavior by a responding party may be relevant to the finding and sanction imposed. Both parties will be notified in advance if such information has been deemed relevant and will be considered during the process.

FINAL DETERMINATION

The parties will be informed in writing of the outcome of the resolution, without significant delay between the notifications to each party. This notice will include the procedures for appealing the decision, any change to the results that occurs prior to the time that such results become final, and when results are considered to be final.

APPEALS

All parties involved in sexual misconduct proceedings may appeal decisions within the timeframe as set forth in the letter of decision (usually within two weeks of notice of the decision). All parties included in any appeal reconsideration and have equal rights of participation. See the Complaint Resolution Procedures: Sexual Harassment, Unlawful Discrimination, Unlawful Harassment, Sexual Misconduct, Retaliation, at Fuller.edu/TitleIX, for further details.
