Please explain in detail why you believe you should be permitted to receive a diploma and/or transcripts with the alternate heading Fuller Graduate Schools. Attach your explanation, along with any supporting documentation, to this form.

I understand that, if this petition is approved, I will be eligible to receive a diploma and/or transcript, at my request, with the alternative name Fuller Graduate Schools instead of Fuller Theological Seminary (and, if applicable, School of Intercultural Studies instead of School of World Mission).

- I understand that I have received or will receive the standard Fuller Theological Seminary diploma, and that in order to receive the alternative diploma as well I must request it and pay the fee currently in effect for this additional service.
- I understand that each time I request a transcript, if I want Fuller to provide the alternative transcript, I must specifically request the alternative transcript, or Fuller will send the standard Fuller Theological Seminary transcript by default.
- I understand that Fuller Theological Seminary is not obligated to identify itself as Fuller Graduate Schools in any way except by providing these documents at my request. For example, the Fuller website, the catalog, etc. all bear the name of Fuller Theological Seminary and the catalog explains the policy regarding alternative transcripts and diplomas; email messages may contain the name Fuller Theological Seminary, and the telephone is answered with the name Fuller Theological Seminary.
- I understand and agree that Fuller Theological Seminary shall not be liable for any consequence(s) arising from its providing of these alternative documents at my request or my use of these documents.
