SIS PROGRAM DESIGN AND EVALUATION:

2006-2009	Worked to do total evaluation of PhD program, and a principal developer of the new design.
2004-2008	Key developer and designer of the new DMiss program, oversaw initial launching of the program, and was first to teach in all four modules. I have worked closely with Mark Hopkins, as a consultant, over the past two years to help build structures under the program.
2002-2008	Educational Effectiveness Assessment Team, helped write and edit final document.
